

City of Albertville Parks Committee
Monday, March 25th, 2024
Minutes

Present: Pat Adamski, Leroy Berning, Alanna Lau, Lauryn White, Tim Guimont

Not Present: Rob Olson

1. Central Park

1. **Playground** - We reviewed the updated playground designs from Midwest Playscapes. We are moving forward with Landscape Structures. Tim will ask Bailey to render the design with the two color schemes we like the best and add a more neutral beige color to the poured in place instead of the bright green and blue. Then it will be submitted to the council.
2. **Dugout Shelters** - Tim is waiting on a response for a quote.
3. **Hockey Rink** - The hockey rink will remain where it is. There has been some discussion regarding the power at the stage. Ideas were tossed around.

2. Other Updates

1. **Park Signage** - Adam is still working on this.
2. **Park Improvements** - We discussed the improvements needed at our local parks and started making a list of items that need and can be done this year.

3. "Explore Your Parks" - Thursday, May 16

1. **Where** - Oakside Park, Villas Park, and Winter Park
2. **When** - Thursday, May 16th. The event will run from 6:00pm - 8:00pm.
3. **What** - The Foxtailers, and the Lions will host and sponsor. We are waiting to hear back from the Royalty. There will be hot dogs, chips, juice, hot dog boats, napkins, condiments, and cups. We will try and have photo boards for our new Central Park park design at all three parks. We also have the K9 demonstration booked. As of now, K9 will be at Oakside Park at 6:00pm, Villas Park at 6:40pm, and Winter Park at 7:20pm. The parks department will have some trucks/equipment on display, and we will check with the fire department to see if they want to be a part of it. We are also going to book a balloon animal creator for each park. Lauryn is working on this.

4. Open Seat of Committee - No letters of interest for us to review at this time.

Next Meeting : April 22nd
