

City of Albertville Parks Committee
Monday, June 24th, 2024
Minutes

Present: Pat Adamski, Leroy Berning, Tim Guimont, Rob Olson, Alanna Lau, Lauryn White

1. Central Park

- 1. Playground** - Bailey Wolf of Landscape Structures was our guest. She brought color samples for the play structure and the PIP. We made some color changes to the design. Bailey is going to update the design and send us our changes. We are also still waiting on info from the State of MN regarding our grant application.
- 2. Dugout Shelters** - We discussed the option of steel dugouts. We don't like the idea of the steel denting. Tim will look into a similar design, but with hardboard and shingles to match our existing dugout.

3. Other Updates

- 1. Main Street Updates** - The City Council is working on a design.
- 2. Joey Bongarts Fund** - We are waiting for the Joey Bongarts Fund to approve the purchase of a bench at their next board meeting before anything further can be done on our end.

4. Legion Ball Tournament - We discussed that this tournament is hoping to be played here in 2025. More details to come.

5. Open Seat on Committee - No letters of interest for us to review at this time.

Next Meeting : July 22nd @7:00pm
