MISSION

The Wright County Sheriff's Office, in partnership with the community, is committed to improving our quality of life. We uphold the Constitutions of the United States and the State of Minnesota, and dedicate ourselves to maintaining order, protecting life and property, reducing the fear of crime and ensuring a safe and secure correctional facility. We hold ourselves accountable to the guiding principles of integrity, professionalism, caring, and fairness.

Mayor Jillian Hendrickson, City Council Members Walter Hudson, Rob Olson, Aaron Cocking, Bob Zagorski and City Administrator Adam Nafstad.

Citizens of Wright County,

The Wright County Sheriff's Office is the 3rd largest Sheriff's Office in the State of Minnesota. We provide law enforcement services to 13 of the county's 16 cities along with all unincorporated areas of Wright County. In a strong partnership with the community, we are able to provide the citizens with reliable service to maintain the high-level quality of life that we have come to enjoy and expect.

There are five divisions within the Sheriff's Office: Patrol, Criminal Investigations, Operations, Business Management and Corrections. Each division is broken down into smaller units such as: administration, court security, communications, community services, detective, emergency management, emergency response team, k-9, special investigations, school resource, recreational services, civil/warrants/transport, and traffic enforcement.

With the help of our community, the Wright County Sheriff's Office will continue to meet our challenges of providing high quality, cost effective and efficient law enforcement services to everyone in Wright County.

I look forward to working with and collaborating with our community leaders and citizens to ensure that we continue to carry out our mission of "keeping the peace" with professionalism, fairness, caring and integrity.

Respectfully,

A handwritten signature in black ink, appearing to read "S. Deringer".

The **Special Investigations Unit (SIU)** is part of the Wright County Sheriff's Office Criminal Investigations Division. The unit is comprised of a sergeant and two full time deputies. This is the only plain clothes and unmarked unit within the Sheriff's Office. Due to SIU's unique ability to blend in with the public, they are often utilized in situations where a marked patrol unit would not be feasible. This includes the arrest of people with warrants who commonly flee when confronted by a uniformed deputy or conducting surveillance of locations with suspected criminal activity. One of the main functions of SIU is to investigate drug crimes within Wright County. This is accomplished through investigative work, speaking with concerned citizens and informants, collaborating with other law enforcement agencies, utilizing social media, and through physical and electronic surveillance. SIU serves approximately 70 search warrants per year within the county along with assisting other local agencies with some of their search warrants. SIU also handles the civil forfeiture of cash, vehicles and firearms when their use or possession was related to controlled substance.

2021 Albertville Special Investigations Unit

The **Major Crimes Investigation Unit (MCIU)** is responsible for documenting and processing crime scenes and evidence collected from scenes. The unit will respond when needed for death investigations, assaults, robberies, burglaries, or any scene where advanced skills and processing techniques are needed to collect and document evidence. MCIU also responds to motor vehicle crashes resulting in serious injuries or death. Besides documenting the crime scenes, MCIU is trained in processing evidence for latent prints, DNA evidence, tire and shoe tread patterns, tool mark evidence, biological stains, and trace evidence. Most of the evidence collected is sent to the Midwest Regional Forensic Lab where further analysis and comparison is done and hopefully identifications are made.

School Resource Officers

The Wright County Sheriff's Office works with 8 school districts to provide School Resource Officers (SRO) services on a contract basis. The 13 SRO's spend a good portion of their day making themselves visible and approachable to staff and students. The visibility of the deputy is a friendly reminder to students, staff and visitors that safety and security is a priority within the districts they serve. The STMA district has 3 SRO's assigned to their schools. Below is the STMA SRO activity for schools in the city limits of Albertville.
